

*“We hiked straight up, cross-country from forest to meadow to talus. From the top we counted 13 mountain ranges. We took lunch there and looked at the views. There was a lot of satisfaction to accomplish that portion of the trek, because it took a lot of work climbing to the top.”*

## MONTANA HIGH ADVENTURE BASE (MOHAB)

offers outdoor training for Boy Scout Troops and Venturing Crews in Wilderness Trekking, Wilderness Packrafting, Expedition Leadership, and Conservation.

Our program offers the only wilderness packrafting program for Scouts giving you the opportunity to explore the *Bob Marshall Wilderness* by foot and by paddle while receiving comprehensive outdoor training.

Program	Packrafting	Mileage	Trek Duration	Program Duration
One Week Trekking	None	35	5 days	7 days
